Chinese Class

We'll teach the students daily grammar and characters. The topics included Hanyu Pinyin, pronunciation, basic greeting, ordering food, shopping, and asking for directions.

Conversational Class

The class will focus on listening and speaking. The students will practice the conversation through the different patterns with Situational Language Teaching. The topics included basic greeting, ordering food, shopping.

Culture class

The culture classes are paper cutting and Taiwan sightseeing.

Language exchange

For increasing student motivation, we will invite them to have lunch with our Taiwanese students through the conference call. They can share their daily life in Japanese or Chinese. Not only to relieve their tension and anxiety due to online courses but also to make Taiwanese friends.

- **Tuition : NTD 6,000 (Tuition includes Chinese textbook, study hours, and certificate)**
