

The TCSOL/TESOL Dual Certificate Summer Program in Osaka, Japan

Developed by Columbia professors and sponsored by CIFLTE and Osaka Gakuin University, the TCSOL / TESOL Dual Certificate Summer Program in Osaka is an intensive three-week course offering professional training in both Chinese and second language teaching. Participants have the option of choosing to earn a certificate in TCSOL, TESOL, or both. The Osaka program will focus on technology and materials development. This meets the needs of teachers in the 21st-century who must keep up with the latest developments in technology, including AI tools, to remain competitive in the global job market.

This program is for:

- Graduate students in language education fields
- Senior undergraduates in Chinese, English, or multilingual education
- Current language teachers seeking professional development
- Career changers or professionals gaining new skills

Program Schedule

Dual Track: July 13-31, 2026
